CONTRACTUAL REQUIREMENTS

The successful proposer (CONTRACTOR) will be required to enter into a contract with the DISTRICT, which will include, but not be limited to, the following provisions:

A. INDEMNIFICATION

CONTRACTOR shall indemnify, defend, and hold harmless the DISTRICT, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including, but not limited to, damages to property and injuries to or death of persons, court costs and attorney's fees) occurring or resulting to any and all persons, firms, or corporations furnishing or supplying work, services, materials or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and loss occurring or resulting to any person, firm or corporation for damage, injury or death arising out of or connected with the CONTRACTOR'S performance of this Agreement, unless such claims, liabilities or losses arise out of the sole negligence or willful misconduct of the DISTRICT, excluding, however, any claim for negligent hire, design and construction by reason of the imputation of any agency relationship with the DISTRICT or arising out of the ownership of the project by the DISTRICT.

CONTRACTOR'S performance includes the CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents, and subcontractors.

<i>B. INSURANCE</i>

Insurance Coverage Requirements. Without limiting CONTRACTOR'S duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this agreement, a policy or policies of insurance with the following minimum limits of liability:

Commercial general liability, including, but not limited to, premises, personal injuries, products, and completed operations, with a combined single limited of not less than One Million Dollars (\$1,000,000) per occurrence; and

Comprehensive automobile liability covering all motor vehicles, including owned, leased, non-owned and hired vehicles, used in providing services under this Agreement, with a combined single limit of not less than One Million Dollars (\$1,000,000) per occurrence; and

Worker's compensation insurance, if CONTRACTOR is an employer, in accordance with California Labor Code §3700 and with a minimum of One Million Dollars (\$1,000,000) per occurrence for employer's liability; and

Professional liability insurance in the amount of not less than One Million Dollars (\$1,000,000) per occurrence and One Million Dollars (\$1,000,000) in the aggregate to cover liability for errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting ("tail") coverage with the same liability limits. Any such tail coverage shall continue in effect for such period of time to cover any future claims arising out of this project. The proposal is to provide the period of time covered.

Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to the DISTRICT and authorized by law to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes performance of services under this Agreement.

Each liability policy shall provide that the DISTRICT shall be given notice in writing at least thirty days in advance of any change, cancellation, or non-renewal thereof. Each policy shall provide

identical coverage for each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance showing each subcontractor has identical insurance coverage.

Commercial general liability and automobile liability policies shall provide an endorsement naming MONTEREY COUNTY REGIONAL FIRE PROTECTION DISTRICT OF MONTEREY COUNTY, its officers, agents and employees as Additional Insureds and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the DISTRICT and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.

Prior to the execution of this Agreement by the DISTRICT, CONTRACTOR shall file certificates of insurance with the Fire Chief, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance promptly after any change is made in any insurance policy, which would alter the information of the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

The DISTRICT reserves the right to waive or impose any additional insurance or bond requirements, during the contract negotiation and execution phase.

<i>C. ADDITIONAL REQUIREMENTS</i>

The DISTRICT may, at its sole option, terminate the contract for lack of performance, lack of confidence on behalf of the DISTRICT, change in ownership of the provider firm or changes in personnel assigned to this project without the permission of the DISTRICT, or other reasons the DISTRICT may have, by giving ten (10) days written notice that the DISTRICT is terminating the Agreement.

Proposer shall furnish DISTRICT with any contractual provisions that it requires in the final Agreement for approval prior to selection. Failure to submit any proposed clauses will be deemed a waiver of Proposer's choice of contract language.
